Property ID: 217053

Price: 54,000,000 THB

Location: Klong Kian, Phang Nga

Property size: 30 Rai

Title: No Sor 3

About this property for sale

The views from this pier are similar to the views offered by the property which is located on a hillside facing the amazing Phang Nga Bay. In front of the land is a massive green mangrove forest, with all the spectacular islands in the background. This would be an ideal location for honeymooners, or for people who want to get away from it all, or a detoxification resort.
